

DRUNKS TAKE UP THE TIME OF JUDGE OF POLICE COURT

In a short session of the municipal court this morning, John Mendoza and John Shoveland, quiet drunks, first time up, received suspended sentences of 5 days each.

J. Johnson came up for the second time on the charge of drunkenness, and pleaded hard to be let off again. As he had a good job to go to, the judge did let him off, but with a six months' suspended sentence hanging over him.

Barney McSperrit, who was arrested last night for molesting women on the street, and booked on a charge of disturbing the peace, pleaded not guilty and his case was set for Monday morning.

J. H. Murray was arrested at 9:15 this morning but was too drunk to appear in court.

Thanksgiving Dance will be given by Woodmen of the World, Weber Camp No. 74, Thursday, Nov. 27th. Refreshments and exhibition drill. Good time assured all.

LOCAL BRIEFS

Harbertson Wins—The West Weberites were treated to a good bill of wrestling last night when Jim Harbertson of Ogden met Charles Raty of Marriott in a fast match. The contest was won by Harbertson, who got the first fall in 30 minutes and the second in 13 minutes with a half nelson and hammerlock. This puts the two wrestlers on an equal basis as Raty won the previous match. Hal Farr and Clarence Preshaw went on for a preliminary in which the latter was victorious. Following the wrestling program, the large crowd enjoyed the remainder of the evening in dancing.

Prize Winners—The character ball given in the Third ward hall last night attracted a large crowd of young people. The prizes were awarded to Mrs. Caroline Wiggins and Ray Collins.

Heredity—Professor Nelson again will be at the Fifth ward parents class, Sunday morning. Professor Nelson will continue his address on "Heredity." All parents invited.

Kills a Bear—In South Fork canyon yesterday John Coffin killed a large brown bear. The animal made fight when met in the confines of a narrow canyon but the contest ended when Mr. Coffin sent a large caliber ball into bruin's body.

At Third Ward—Elmer Emil Bachman of the North Weber stake high council, will be the speaker at the evening meeting at the Third ward tomorrow. Elder Bachman has just

returned from a visit to the Nevada wards of the North Weber stake. A good musical program has also been arranged.

Cars to Canyon—The weather continuing fine, Manager P. D. Kline of the Ogden Rapid Transit company states that the canyon car service will be continued each Sunday beginning at 10:10 in the morning, with an hourly service until 5:10 in the afternoon. The canyon car will leave the canyon road and Washington avenue ten minutes after the hour, the Washington avenue car making connection at that time.

Maier Divorce—In the divorce case of Lella M. Maier against John L. Maier the defendant has filed an answer making a general denial of the allegations and claiming that for some time past he has furnished \$25 a month for the support of the minor child.

Pixley Estate—In the estate and guardianship of Myron Pixley, incompetent, the guardian, Saloma Pixley, has petitioned the district court for a final settlement of the estate.

At the Dees—William C. Roberts of Cokeville, Wyo., and Miss Edna Rowe of Ogden have been admitted to the Dees hospital for treatment.

Paving—The J. P. O'Neill Construction company has begun laying concrete base for the paving on Twenty-fifth street, between Quincey and Harrison avenues. It is said by the contractor that, with good weather a few weeks longer, he can lay the base on the street, where excavations have been completed, before closing down. Fowler avenue is ready for the base, and it is expected that it will be covered with concrete before the work is discontinued. The rest of the paving will be done at an early time next spring, when the company will put an asphalt plant into operation.

HUSBAND DESERTED SOON AFTER MARRIAGE

Louisa Bruestle has commenced divorce proceedings against Frederick Bruestle in the district court asking a separation on the grounds that the defendant has failed to provide the necessities of life and that he has also deserted the home.

The petition avers that the parties were married August 27, 1912, and that on September of that year the defendant deserted the home. The plaintiff seeks divorce, alimony, costs of suit, attorney fees and restoration of her maiden name, Louisa Mattern.

GAME OF THE SEASON IS NOW ON AT GLENWOOD

First Quarter—Salt Lake 3, Ogden 0; goal kicked from placement.

Second Quarter—Salt Lake 3; Ogden 0.

This afternoon at Glenwood, the Orange and Black eleven of the Ogden high and the Red and Black eleven of Salt Lake are battling for supremacy with all the vim and vigor of youth, backed by the support of numerous loyal adherents.

The Salt Lake team, with a large crowd of rooters, arrived in the city at noon and went at once to a hotel to begin preparations for the game.

Similar preparations were started about the same time by the orange and black in the athletic room at the high school, under the direction of Coach Lon Romney and Professor Glascock.

Shortly after 2 o'clock the two teams, with a large retinue of followers, appeared on the streets and went to Glenwood park where the game was started about 3 o'clock.

Sid Winter, manager of the local high school team, when seen this morning, expressed confidence in the ability of the Orange and Black to carry off the honors and Mr. Glascock said that he saw no reason why Coach Romney's boys should not win. The same spirit was strong among the students of the school and one of them gave an idea of local enthusiasm when he said, "Half the town's going to the game."

The appearance of Jack Tackett behind the line gave additional cheer to his teammates, Coach Romney and the students.

The Salt Lake team and officials were equally confident of winning and the game should be full of excitement.

Ogden lost its first game to the Salt Lake high by a score of 13 to 3, but that was before Coach Romney had the boys in good working order.

Salt Lake claims to have the best of the punting department with Rydall, Donkin, Siddoway and Kilpatrick, but Ogden claims to have a speedier team as a whole, with Fuller at right end being one of the fastest men in the high school class in the state.

The teams are lined up in the following order:

Ogden: Salt Lake: Packard (Capt.).....le..... Packard Spoobergs.....lg..... Jessen Cooney.....lc..... Lyman Mattson.....ic..... King Hastings.....rg..... Rydall Price.....rt..... Yeates (Capt.) Fuller.....rh..... Kilpatrick Tribe.....lhb..... Donkin Lake.....rhh..... Wilson Glasman.....q..... Siddoway Tackett.....c..... Goodrich

The officials are Freeman Bassett, referee; Lieutenant Bowen, umpire; Malcolm Watson, head linesman.

ARREST MADE WHEN DRIVER RUNS OVER PEDESTRIAN

Joseph Vernieuwe, who lives at 219 Thirty-third street, was arrested about noon today by Officer Martin on a charge of reckless driving.

Vernieuwe driving a rig ran over a man who gave him the name as George Smith, on Wall avenue, between 24th and 25th streets. The man was not seriously hurt, but made a complaint against the driver, who was booked and allowed to go on his own recognizance.

FAMILY ROW CAUSES THE ARREST OF A CHAS. SLANDER

Deputy Sheriff Charles Ellsworth at noon today arrested Charles Slander on complaint of his wife that he has failed to provide for his family. Slander's bail was fixed at \$500 by Judge Reeder and the man says he is not certain as to whether he can raise that amount, as he is a stranger here.

Speaking of the affair at the sheriff's office, Slander stated that the trouble with his wife arose at their camp over the purchase of a ball of hay. Last night, he says, he asked his wife to pay for the hay as he did not have the money, whereupon she told him that if he could not buy the hay he had better quit business and get out. Accordingly he left the tent and came up town. He said that he has a wife and eight children and that they are living in a tent near the Becker brewery. Slander is a horse trader who has been in Ogden only about five weeks.

"The tent is good and warm," he said, "and the family is comfortable, but I was looking for a house to move into for the winter. I have some horses that I could sell at a sacrifice, but I think it would be better to hold them until spring when a better price can be had. My wife always has money, but she got out of sorts last night because I asked her to pay for the hay. It is just a little family row that does not amount to anything."

SEEK TO QUIET THE TITLE TO PROPERTY

Antonio Favero et al, has commenced suit in the district court against the creditors of the estate of Christopher Hansen, deceased, to quiet title to certain real estate which the plaintiffs claim they have been in possession of for more than seven years, without molestation.

The complaint alleges that the deceased died June 16, 1894, intestate, and that no administrator of the estate has ever been appointed. Since the death of Mr. Hansen, the plaintiffs claim, they have held undisputed possession of certain real property, named in the complaint, and they now ask that title in fee simple be vested in them.

In the suit of Isabelle B. Simpson against Christmas Romrell et al, the district court has issued a decree in favor of the plaintiff quieting title to certain real estate.

CITY MAY BE FORCED TO PAY THE FEES

When the demand made for witness fees, for service in the recent

hearing by the judges of the district court regarding the continuation of the retail liquor license of Frank P. Garner, proprietor of the St. Anthony bar on Washington avenue, comes before County Clerk Samuel G. Dye, there will be a question in his mind as to whether the county shall pay. Ordinarily witness fees are paid either by the county or state where the service is given in the district court, but in this case the judges act in a different capacity.

It is the opinion of the county attorney, David Jensen and a number of the attorneys, that, inasmuch as the acts of the judges in liquor cases are ministerial, and in the interests of the city, that the city government must necessarily be required to pay the expenses connected with the cases involving the liquor question.

LEGAL FIGHT OVER A TRADE MARK IS NOW ENDED

In Judge N. J. Harris' division of the district court this morning, the case of J. E. Guernsey against Sam Ross was called for trial, but soon after the opening of court, attorneys for the parties stated that the differences had been settled. The court ordered the case dismissed.

Mr. Guernsey commenced suit

against the defendant to recover \$500 damages for the alleged infringement on the part of defendant of his trade mark, "The Goodyear Repair company," also complaining that the defendant had used the plaintiff's street number, "364" on Twenty-fourth street to plaintiff's disadvantage and damage. The infringement was alleged to have occurred in the early part of this year.

The parties are engaged in the shoe repairing business on Twenty-fourth street, between Grant and Washington avenues, the plaintiff on the north side of the street, and the defendant on the south side. The terms of the settlement were not divulged in court this morning.

The case of Walter Andrew, against Clarence E. Story has been dismissed.

AMENDMENTS TO BE DISCUSSED

Washington, Nov. 22.—The final legislative battle for President Wilson's currency bill began in the senate today with the presentation of reports from the divided banking committee. Submitting a report for the administration Democrats, Chairman Ogden gave notice he would open debate Monday. Their bill follows closely the lines of the house measure and contains only such amendments as President Wilson was willing to accept.
